

## Ford Motor Company of Canada announces revised build-out, launch dates for select models

Jun-7-2007

Ford Motor Company of Canada has announced revised build-out and launch dates for select models. Since build-out information is subject to frequent changes, PHH recommends you submit your orders early.

As PHH has done in the past, we have included two important dates concerning the build-out of these vehicles.

- **"Last Day to Transmit"**  
This is the actual order cut-off date provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- **"Orders Due at PHH"**  
This is the date by which PHH expects to have orders to ensure ample time for processing. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
