

General Motors announces build-out date for 2008 model year Pontiac Grand Prix

Aug-1-2007

General Motors has announced build-out information for the 2008 model year Pontiac Grand Prix. Since this represents the end of the lifecycle for this product line, orders will not be accepted after the last date to transmit.

As PHH has done in the past, we have included two important dates concerning the build-out of these vehicles.

- **"Last Day to Transmit"**
This is the actual order cut-off date provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- **"Orders Due at PHH"**
This is the date by which PHH expects to have orders to ensure ample processing time. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
