

## Chrysler announces Pacifica discontinuation and order cut-off date

Nov-6-2007

Chrysler has just announced that the Pacifica will be discontinued after the 2008 model year, and all orders must be submitted by Friday, November 9, 2007. Chrysler has apologized for the short notice, but since this represents the end of the production cycle for the Pacifica, it is unlikely that orders submitted after the order cut-off date will be built.

As PHH has done in the past, we have included two important dates concerning the build-out of this vehicle.

- **"Last Day to Transmit"**  
This is the actual order cut-off date provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- **"Orders Due at PHH"**  
This is the date by which PHH expects to have orders to ensure ample processing time. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
