

## General Motors of Canada announces 2008 build-out, 2009 launch dates for select models

Jan-16-2008

General Motors has announced 2008 build-out and 2009 launch dates for select models. As PHH has done in the past, we have included two important dates concerning the build-outs of these vehicles:

- "Last Day to Transmit"**  
 This is the actual order cut-off date that has been provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- "Orders Due at PHH"**  
 This is the date by which PHH expects to have the orders to ensure ample time for processing. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.

Listed below are the build-out dates for each model. Since build-out information changes frequently, PHH recommends you submit orders as early as possible.
