

Chrysler Canada announces revised 2008 build-out dates for select vehicles

Mar-18-2008

Chrysler Canada has announced revised 2008 build-out dates for the **Chrysler 300C (SRT8)**, **Dodge Charger (SRT8)**, and **Jeep Grand Cherokee (SRT8)**. Since build-out information is subject to frequent changes, PHH recommends you submit your orders early.

As PHH has done in the past, we have included two important dates concerning the build-out of this vehicle:

- "Last Day to Transmit"**
 This is the actual order cut-off date that has been provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- "Orders Due at PHH"**
 This is the date by which PHH expects to have the orders to ensure ample time for processing. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
