

Ford Motor Company of Canada announces revised 2008 build out, 2009 launch dates for select vehicles

Apr-28-2008

Ford Motor Company of Canada has announced revised build-out dates for select 2008 model year vehicles. Since build-out information is subject to frequent changes, PHH recommends you submit your orders early.

As PHH has done in the past, we have included two important dates concerning the build-out of these vehicles.

- "Last Day to Transmit"**
 This is the actual order cut-off date provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- "Orders Due at PHH"**
 This is the date by which PHH expects to have orders to ensure ample processing time. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
