

Nissan summary of 2008 build-out dates and 2009 launch dates for its model line-up

Mar-5-2008

Listed below is a summary of Nissan's 2008 build-out dates and 2009 launch dates for its model line-up, including Infiniti models. Since build-out information is subject to frequent changes, PHH recommends you submit your orders early.

As PHH has done in the past, we have included two important dates concerning the build-out of these vehicles.

- "Last Day to Transmit"**
 This is the actual order cut-off date provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- "Orders Due at PHH"**
 This is the date by which PHH expects to have orders to ensure ample processing time. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
