

## Ford announces revised 2008 build-out dates for select models

Apr-28-2008

Ford has announced revised 2008 build-out dates for select models. Since built-out information is subject to frequent changes, PHH recommends that you submit your orders early.

As PHH has done in the past, we have included two important dates concerning the build-out of these vehicles.

- **"Last Day to Transmit"**  
This is the actual order cut-off date provided by the motor company. Orders submitted after that date are always submitted on a "will try" basis.
- **"Orders Due at PHH"**  
This is the date by which PHH expects to have orders to ensure ample processing time. We will continue to accept orders up to the last day to transmit, but submission cannot be assured.
